*Rock around the clock to the oldies
aboard MSC POESIA*

An Elvis look-alike contest, dance competitions, trivia games, lectures on the Rock 'n Roll years and music, music, music!

All this and the sunny skies and balmy breezes of the Caribbean. Sounds pretty boss, daddy-o.

The Lettermen – Tony Butala, Donovan Tea and Mark Preston – are one of the most popular vocal groups in history. Their 45-year career of unique sound lies between the big band vocal groups and the early R&B rock groups.

The Lettermen will perform one grand show during this old time rock 'n roll festival at sea.

The Fabulous Stingrays, a party band covering songs from the 50s, 60s and 70s, will keep you rocking and rolling to the oldies all week long.
